A telephone interview was held on May 17, 2006 between Examiner Raquel Alvarez and Applicant's attorney Larry Henneman. Examiner Alvarez indicated that the third-party verification aspect of Applicant's invention was allowable over the prior art of record, and invited Mr. Henneman to submit proposed claims directed to this aspect of the invention. In a subsequent telephone interview on June 6, 2006, between the same parties, Examiner Alvarez and Mr. Henneman agreed that the amendments set forth herein distinguish over the prior art of record. Applicant understands that Examiner Alvarez will perform an updated search.

The claims are amended herein to expedite the allowance of a patent covering the agreed upon subject matter. The amendments of the claims is without prejudice and is not an admission with respect to the propriety of any of the outstanding rejections.
